

CLOSED FOR RENOVATION

We are excited to announce that our Farmington location will be getting a face lift! We will be remodeling the office to better serve our patients and provide the best experience possible. Due to the ongoing construction, our Farmington office will be closed temporarily beginning October 1, 2020. We will be seeing all patients in our Bountiful office until further notice. Please call us at 801-292-1222 for more information.

Thank you for your understanding and flexibility.

-The Team at Bailey Orthodontics
